- 32. PROTECTION OF GOVERNMENT BUILDINGS:** The Contractor must use reasonable care to avoid damaging existing buildings, equipment, and vegetation (such as trees, shrubs, and grass) on County property. If the Contractor fails to do so and damages such buildings, equipment and vegetation, the Contractor must replace or repair the damage at no expense to the County, in coordination with County staff and as approved by the Procurement Director. If the Contractor fails to or refuses to make such repair or replacement, the Contractor is liable for the cost thereof, which may be deducted from the contract price.

Said audit will be limited to this Contract and its scope of services.
- 38. RELATIONSHIP OF PARTIES:** It is clearly understood that each party acts in its individual capacity and not as an agent, employee, partner, joint venture, or associate of the other. An employee or agent of one party will not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. The Contractor is advised that taxes or social security payments will not be withheld from a County payment issued hereunder and that Contractor should make arrangements to directly pay such expenses, if any.
- 39. RIGHT TO ASSURANCE:** Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.
- 40. RIGHT TO INSPECT:** The County may, at reasonable times, and at the County's expense, inspect the place of business of a Contractor or subcontractor which is related to the performance of any contract as awarded or to be awarded.
- 41. RIGHTS AND REMEDIES:** No provision in this document or in the Offer will be construed, expressly or by implication, as a waiver by either party of any existing or future right or remedy available by law to seek the cure of any claim, default, or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract or delay the exercise of any right or remedy provided in the Contract or by law will not be deemed a waiver to such rights or remedies. Furthermore, the acceptance of materials or services and delivery of obligations imposed by this Contract or by law does not constitute a waiver of any right or remedy provided by this Contract or by law, nor will such an act constitute a waiver of any right of either party to insist upon the strict performance of the Contract.
- 42. SEVERABILITY:** The provisions of this Contract are severable at the sole discretion of the County to the extent that any provision or application held to be invalid will not affect any other provision or application of the Contract which may remain in effect without the invalid provision or application.
- 43. SHIPMENT UNDER RESERVATION PROHIBITED:** The Contractor is not authorized to ship materials under reservation and no tender of a bill of lading will operate as a tender of the materials. Noncompliance will be subject to **STANDARD TERMS AND CONDITIONS, "TERMINATION OF CONTRACT."**
- 44. SUBCONTRACTS:** No subcontract will be entered into by the Contractor with any other party to furnish any of the materials or services specified herein without the advance written approval of the County's Procurement Director. All subcontracts must comply with Federal and State laws and regulations which are applicable to the services covered by the subcontract and must include all the terms and conditions set forth herein which will apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. The Contractor is responsible for contract performance whether or not subcontractors are employed. The County will not unreasonably withhold approval and will notify the Contractor of the County's position within fifteen (15) days of receipt of written notice by the Contractor.

45. SUBSEQUENT EMPLOYMENT: The County may terminate this Contract pursuant to A.R.S. Section 38-511 without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract, on behalf of the County is or becomes, at any time while the Contract or any extension of the Contract is in effect, an employee of, or a Contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation takes effect when written notice from the Procurement Director is received by the parties to this Contract, unless the notice specifies a later time.

46. SUSPENSION OF WORK: The County may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work under this Contract for the period of time that the County determines appropriate for the convenience of the County.

46.1. The Contractor agrees that no charges or claims for damages will be made against the County for any delays or hindrances during the progress of this Contract. Such delays or hindrances, if any will be covered by an extension of time for such reasonable period as mutually agreed upon between the parties. It is agreed and understood, however, that permission to proceed with the Contract after the established completion date, will not be construed as a waiver by the County of any of the rights herein.

47. TERMINATION OF CONTRACT: Unless otherwise specifically provided herein, this contract may be terminated at any time by mutual written consent. The County may, with or without cause, terminate this Contract in whole or in part upon giving thirty (30) days written notice to the Contractor. If this contract is terminated, the County will be liable only for payment under the payment provisions of this contract for services rendered and materials accepted by the County before the effective date of termination, unless the subject items are nonconforming. If the materials or services for which the County would otherwise be liable to pay are nonconforming, STANDARD TERMS AND CONDITIONS, "ACCEPTANCE" governs.

47.1. The County may terminate this Contract in whole or, from time to time, in part, for the County's convenience or because of the failure of the Contractor to fulfill the Contract obligations. Upon receipt of the notice of termination, the Contractor must:

47.1.1. Immediately discontinue all services affected (unless the notice directs otherwise), and

47.1.2. Deliver to the Department of Procurement all data, drawings, specifications, reports, estimates, summaries, and other information and materials accumulated in performing this Contract, whether completed or in process.

47.2. If the termination is for the convenience of the County, the County will make an equitable adjustment in the contract price but will allow no anticipated profit on unperformed services.

47.3. If the termination is for failure of the Contractor to fulfill the contract obligations, the County may complete the work by contract or otherwise, and the Contractor is liable for any additional cost incurred by the County.

47.4. If, after termination for failure to fulfill contract obligations, it is determined that the Contractor has not failed, the rights and obligations of the parties are the same as if the termination had been issued for the convenience of the County.

47.5. The rights and remedies of the County provided in this clause are in addition to any other rights or remedies provided by law or under this Contract.

47.6. Each payment obligation of the County created hereby is conditioned upon the availability of County, State and Federal funds which are appropriated or allocated for the payment of such an obligation. If funds are not allocated by the County and available for the continuance of service herein contemplated, the contract period for the service may be terminated by the County at the end of the period for which funds are available. The County will notify Contractor at the earliest possible time which service will or may be affected by a shortage of funds. No penalty will accrue to the County in the event this provision is exercised, and the County will not be obligated or liable for any future payments due or for any damages as a result of termination under this paragraph.

- 48. TIME RECORDS:** The Contractor must maintain complete, current and daily records covering all hours actually worked on this project by each employee. The County reserves the right to audit and examine such records at any time during the progress of this Contract. The County may withhold payment if such documentation is found by the County to be incomplete or erroneous.
- 49. TITLE AND RISK OF LOSS:** The title and risk of loss of material or services will not pass to the County until the County actually receives the material or services at the point of delivery, unless otherwise provided within this Contract.
- 50. WARRANTIES:** Contractor warrants that all material or service delivered under this Contract will conform to the specifications of this Contract. Mere receipt of shipment of the material or service specified, and any inspection incidental thereto by the County, does not alter or affect the obligations of the Contractor or the rights of the County under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.
- 51. WRITTEN CERTIFICATION PURSUANT TO A.R.S. §35-394:** Contractor certifies that Contractor does not currently, and agrees for the duration of the contract that it will not, use: 1) the forced labor of ethnic Uyghurs in the People's Republic of China; 2) any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China; and 3) any contractors, subcontractors or suppliers that use the forced labor or any goods or services produced by the forced labor of ethnic Uyghurs in the People's Republic of China. If Contractor becomes aware during the term of the contract that the company is not in compliance with the written certification, the company shall notify Mohave County within five business days after becoming aware of the noncompliance. If the Company does not provide Mohave County with a written certification that the Company has remedied the noncompliance within 180 days after notifying Mohave County of the noncompliance, this Contract terminates, except that if the contract termination date occurs before the end of the remedy period the Contract terminations on the Contract termination date.
